Friday on the Green

Friday, October 12 (7pm-10pm)

This is the last month for Friday on the Green! It is a monthly concert series presented April-October and the event is held at Magnolia Green, located on Lipscomb between Magnolia and Rosedale. Friday on the Green regularly attracts hundreds during the warm weather months with the region's best live music, tasty food, drinks, and the fun and relaxed atmosphere of a big neighborhood picnic. Groups of families and friends show up with blankets, chairs and pets to enjoy a lineup of two or three great local bands, great food from Food Trucks, and beer from Rahr & Sons Brewing Company and Coors Light.

Fall ArtsGoggle

Saturday, October 13 (4pm-10pm)

ArtsGoggle, the twice-yearly celebration of art, artists and music in Fort Worth, Texas' Near Southside, is expecting another tremendous turnout. Since its inception in 2003, ArtsGoggle has evolved into a popular festival of the arts in this eclectic neighborhood of historic elegance and urbanism immediately south of the central business district of Fort Worth. This free to the public, family-friendly event attracts a crowd as diverse as the neighborhood itself with live music, artistic displays of every kind, food, drink, and fun for everyone. This year 90 businesses in the Near Southside will become art venues and open their doors to show off the work of a variety of local artists. The public is invited to park their cars and rediscover this revitalized urban neighborhood by foot, Molly the Trolley, bicycle or pedi-cab.

Fall Open Streets

Sunday, October 28 (1pm-5pm)

This free event will involve the closure of segments of streets to car traffic—only human-powered modes will be allowed, from pedestrians to bicycles and everything in between. The closed streets will be transformed into "urban playgrounds," with food vendors, live music, kid's areas, fitness classes, and more. This first Open Streets will take place on Magnolia Avenue, 5th Avenue, and Allen Avenue, forming a path linking the hotspot of Magnolia to the neighborhood streets of Fairmount (and its two parks, Fairmount Park on 5th and Fire Station Park on Allen). Some parts of the route will be chock-full of activities and vendors, while some will be more relaxed, allowing the gentle enjoyment of a neighborhood not dominated by cars.
