"Helping Professionals Get Back to Business"

Top 10 New Year's Resolutions

1. Spend More Time with Family & Friends

Recent polls conducted by General Nutrition Centers, Quicken, and others show that more than 50% of Americans vow to appreciate loved ones and spend more time with family and friends this year. Work shouldn't always come first!

2. Fit in Fitness

The evidence is in for fitness. Regular exercise has been associated with more health benefits than anything else known to man. Studies show that it reduces the risk of some cancers, increases longevity, helps achieve and maintain weight loss, enhances mood, lowers blood pressure, and even improves arthritis.

3. Tame the Bulge

Over 66 percent of adult Americans are considered overweight or obese by recent studies, so it is not surprising to find that weight loss is one of the most popular New Year's resolutions.

4. Quit Smoking

If you have resolved to make this the year that you stamp out your smoking habit, over-the-counter availability of nicotine replacement therapy now provides easier access to proven quit-smoking aids. Even if you've tried to quit before and failed, don't let it get you down.

5. Enjoy Life More

Given the hectic, stressful lifestyles of millions of Americans, it is no wonder that "enjoying life more" has become a popular resolution in recent years. It's an important step to a happier and healthier you!

6. Quit Drinking

While many people use the New Year as

an incentive to finally stop drinking, most are not equipped to make such a drastic lifestyle change all at once. Many heavy drinkers fail to quit cold turkey but do much better when they taper gradually, or even learn to moderate their drinking.

7. Get Out of Debt

Was money a big source of stress in your life last year? Join the millions of Americans who have resolved to spend this year getting a handle on their finances. It's a promise that will repay itself many times over in the year ahead.

8. Learn Something New

Have you vowed to make this year the year to learn something new? Perhaps you are considering a career change, want to learn a new language, or just how to fix your computer? Whether you take a course or read a book, you'll find education to be one of the easiest, most motivating New Year's resolutions to keep.

9. Help Others

A popular, non-selfish New Year's resolution, volunteerism can take many forms. Whether you choose to spend time helping out at your local library, mentoring a child, or building a house, there are many nonprofit volunteer organizations that could really use your help.

10. Get Organized

On just about every New Year resolution top ten list, organization can be a very reasonable goal. Whether you want your home organized enough that you can invite someone over on a whim, or your office organized enough that you can find the stapler when you need it, this resolution should get you started on the way to a more organized life.

AT&T Cotton Bowl Classic

January 6, 7pm at Cowboys Stadium (One Legends Way, Arlington, TX 76011)

It's official: No. 6 Arkansas vs. No. 8 Kansas State in the 76th AT&T Cotton Bowl Classic! A battle of Top-10 teams has been set as the No. 6 Arkansas Razorbacks will meet the No. 8 Kansas State Wildcats in the 2012 AT&T Cotton Bowl Classic on Friday, January 6 at Cowboys Stadium.

"We truly feel like we ended up with one of the top bowl matchups in the country," Tommy Bain, Chairman of the AT&T Cotton Bowl Classic said. "This is the first Top-10 matchup at the Classic since 1994 and one of only four bowls this year pitting two Top-10 teams."

This is the first-ever Cotton Bowl meeting between these two top-ranked teams. Arkansas last played Kansas State in 1967. The Wildcats will be making their third appearance at the AT&T Cotton Bowl, and their first since 2001 (Kansas State 35, Tennessee 21). Arkansas will tie Texas A&M with the second-most appearances at the Classic with 12. The Hogs last matchup at the Classic came in 2008 (Missouri 38, Arkansas 7).

"From top to bottom, the SEC and Big 12 are arguably the two best football conferences in the country," Fin Ewing, AT&T Cotton Bowl Team Selection Chairman said. "The 2012 Classic should garner some significant attention since it's the only bowl matchup between the Big 12 and SEC."

Kansas State, 10-2 and 7-2 in the Big 12, is led by legendary coach Bill Snyder, who is 1-1 in previous Classic appearances. Arkansas is making its third bowl appearance under head coach Bobby Petrino. The Hogs finished the regular season 10-2 and 6-2 in the SEC.

Kickoff of the AT&T Cotton Bowl Classic is scheduled for 7pm on Friday, January 6 and will be nationally televised on FOX.
