400th Anniversary of The King James Bible: *Passages*

Experience The Bible Like Never Before - World Premiere at the Oklahoma City Museum of Art, Through October 16, 2011

Passages is a 14,000-square-foot interactive, multimedia exhibition for all ages. It features some of the most exquisite and rare biblical manuscripts, printed Bibles, and historical items in the world. These cultural treasures include a Dead Sea Scroll text, ancient biblical papyri, beautifully illuminated manuscripts, early printed materials, including a portion of the Gutenberg Bible, and multiple first editions of the English Bible through the King James Version.

Visitors are immersed in a fascinating story that spans over two thousand years, winding through Judeo-Christian history, from an ancient synagogue to a modern excavation site where new discoveries are being made. Over 300 of the world's rarest artifacts are presented in highly thematic settings which depict significant historical periods of time that are brought to life with animatronic historical figures, creative films and many interactive activities for both the young and old.

Each guest is provided with an iPod Touch, at no additional charge, so they may travel through time with expert commentary on the artifacts by some of the world's leading scholars. There is even a children's listening track hosted by Louie the Lion.

Special effects and surprises are found throughout the exhibit so that guests cannot only get a glimpse into history but also feel as if they are also part of the translation and transmission of the Bible into English.

The self-directed tour ends with an original film that capsulates this amazing story, shot on location throughout the world, with special narration by Wintley Phipps. Not just an exhibit – an experience. For more info, visit www.explorepassages.com.

Bowling U.S. Women's Open

The tournament's qualifying rounds kick off June 24 at AMF Euleless Lanes. The finals will start at 7pm on June 30 and will be broadcast on ESPN2 on July 2. For more information or to purchase tickets to the finals (at \$20 each), log onto www.bowlinguswomensopen.com.

The management company/owners of your building have contracted us to provide these services to you. Although the services are complimentary for those of you who work in a building in our network, there will be a few things that require additional manpower and fees will apply. Those will be discussed prior to fulfilling your request.

To access this list, please log onto www.cciservices.org and click on the **services** tab at the top. To see our updated list of discounts to area attractions, click on the **newsletter** tab.
