April 9-25

DCT Box Office: 214-740-0051

*Recommended for ages 12 and above due to mature subject matter and strong language. Not suitable for young children.*

DCT's Young Adult Relevant Drama (YARD) illuminates the difficult and often misunderstood world of learning differences in a new play by two award-winning playwrights. Pamela is excited to make a "fresh start" when she and her mother move to her grandfather's to live. Pamela is learning different and so is her new friend Zak. Navigating their individual paths through adolescence, both young people struggle to accept who they are and how they learn.

This powerful new play follows the lives of two young people and their paths to self-acceptance. DCT's Executive Artistic Director and director of the play, Robyn Flatt, says, "Students want to do well. Parents want their children to succeed. This moving family story brings
