## Top 10 New Year’s Resolutions

### 1. Spend More Time with Family & Friends

Recent polls conducted by General Nutrition Centers, Quicken, and others show that more than 50% of Americans vow to appreciate loved ones and spend more time with family and friends this year. Work shouldn’t always come first!

### 2. Fit in Fitness

The evidence is in for fitness. Regular exercise has been associated with more health benefits than anything else known to man. Studies show that it reduces the risk of some cancers, increases longevity, helps achieve and maintain weight loss, enhances mood, lowers blood pressure, and even improves arthritis.

### 3. Tame the Bulge

Over 66 percent of adult Americans are considered overweight or obese by recent studies, so it is not surprising to find that weight loss is one of the most popular New Year’s resolutions.

### 4. Quit Smoking

If you have resolved to make this the year that you stamp out your smoking habit, over-the-counter availability of nicotine replacement therapy now provides easier access to proven quit-smoking aids. Even if you’ve tried to quit before and failed, don’t let it get you down.

### 5. Enjoy Life More

Given the hectic, stressful lifestyles of millions of Americans, it is no wonder that “enjoying life more” has become a popular resolution in recent years. It’s an important step to a happier and healthier you!

### 6. Quit Drinking

While many people use the New Year as

an incentive to finally stop drinking, most are not equipped to make such a drastic lifestyle change all at once. Many heavy drinkers fail to quit cold turkey but do much better when they taper gradually, or even learn to moderate their drinking.

### 7. Get Out of Debt

Was money a big source of stress in your life last year? Join the millions of Americans who have resolved to spend this year getting a handle on their finances. It’s a promise that will repay itself many times over in the year ahead.

### 8. Learn Something New

Have you vowed to make this year the year to learn something new? Perhaps you are considering a career change, want to learn a new language, or just how to fix your computer? Whether you take a course or read a book, you’ll find education to be one of the easiest, most motivating New Year’s resolutions to keep.

### 9. Help Others

A popular, non-selfish New Year’s resolution, volunteerism can take many forms. Whether you choose to spend time helping out at your local library, mentoring a child, or building a house, there are many nonprofit volunteer organizations that could really use your help.

### 10. Get Organized

On just about every New Year resolution top ten list, organization can be a very reasonable goal. Whether you want your home organized enough that you can invite someone over on a whim, or your office organized enough that you can find the stapler when you need it, this resolution should get you started on the way to a more organized life.

## Discounts & More!

We continue to offer discounts to many theater, sporting events, attractions, and restaurants; however, due to space limitations in our monthly newsletter, we have decided to post those to our website instead of using the back page each month. In addition, many of you are unaware that you can utilize us for more than just discount tickets. We are a full service concierge company and can help you with many things on your to-do list. The management company/owners of your building have contracted us to provide these services to you. Although the services are complimentary for those of you who work in a building in our network, there will be a few things that require additional manpower and fees will apply. Those will be discussed prior to fulfilling your request. **This month we have utilized the entire back page to familiarize you with some of these additional options.** To access this list in the future, please log onto [www.cciservices.org](http://www.cciservices.org) and click on the **services** tab at the top. To see our updated list of discounts to area attractions, click on the **newsletter** tab.
