## Shen Yun Returns to Dallas with a New 2012 Program

*Presented by Southern USA Falun Dafa Association  
December 16-18, at AT&T Performing Arts Center,  
Winspear Opera House*

"A mesmerizing performance of singers, dancers and musicians reclaiming the divinely inspired cultural heritage of China."

*-Donna Karan, Creator of Donna Karan New York and DKNY*

After a successful showing at the Winspear Opera House in Dallas, the New York based Shen Yun Performing Arts once again blazes the best of traditional Chinese culture and dance for a brand new

2012 tour. "Every year, Shen Yun unveils an entirely new lineup of dances, songs, and musical scores. In a collection of short pieces, audiences travel from the Himalayas to tropical lake-filled regions; from the legends of the culture's creation over 5,000 years ago through to the story of Falun Dafa in China today; from the highest heavens down to the dusty plateaus of the Middle Kingdom. After more than 60 years of Communist rule in China, and especially after the Cultural Revolution, Chinese traditional culture has been all but completely demolished. Shen Yun Performing Arts was established in 2006 with the mission of reviving 5,000 years of divinely inspired Chinese culture. Today, Shen Yun counts many winners of international dance and vocal competitions among its artists and the orchestras include many musicians from world-renowned symphonies and conservatories." *Quotations copyrighted by Shen Yun Performing Arts*
