CIRQUE DU SOLEIL
RETURNS TO DALLAS WITH ITS
BIG TOP PRODUCTION

KOOZA

September 19 – October 7

Cirque du Soleil is thrilled to return to Dallas

with a new big top touring show KOOZA. The critically-acclaimed production opens Wednesday, September 19 for a limited engagement under the white Big Top, Lot E at 500 Memorial Drive beneath Reunion Tower.

Since its premiere in April of 2007, KOOZA has charmed close to 4 million spectators in North America and Japan. KOOZA marks the 7th visit of a big top show in the Dallas area.

Tickets for KOOZA in Dallas are ON SALE NOW!!! Discounts through your concierge (see below).

About KOOZA

Written and directed by David Shiner, KOOZA is a return to the origins of Cirque du Soleil that combines two circus traditions – acrobatic performance and the art of clowning. The show highlights the physical demands of human performance in all its splendor and fragility, presented in a colorful mélange that emphasizes bold slapstick humor.

"KOOZA is about human connection and the world of duality, good and bad," Shiner said. "The tone is fun and funny, light and open. The show doesn't take itself too seriously, but it's very much about ideas, too. As it evolves we are exploring concepts such as fear, identity, recognition and power."

Between strength and fragility, laughter and smiles, turmoil and harmony, KOOZA is set in an electrifying and exotic visual world full of surprises, thrills, chills, audacity and total involvement.
