The All-New 2013 Shen Yun Show Returns to the Dallas/Fort Worth Metroplex, Presented by Southern USA Falun Dafa Association
January 2-3, 2013 at AT&T Performing Arts Center's Winspear Opera House
February 20, 2013 at Bass Performance Hall

"A mesmerizing performance of singers, dancers and musicians reclaiming the divinely inspired cultural heritage of China."

- Donna Karan, Creator of Donna Karan New York and DKNY

After a successful showing the past 2 years at the Winspear Opera House in Dallas, the New York based Shen Yun Performing Arts returns for a 3rd time to bring the audience another spectacular night of traditional Chinese culture. This year's tour will include performances at both the AT&T Performing Arts Center's Winspear Opera House in downtown Dallas and for the first time at the Bass Performance Hall in downtown Fort Worth. Every year, Shen Yun unveils an entirely new lineup of dances, songs, and musical scores. To audiences who have seen it, they recall it as an experience of a lifetime—a moment so powerfully beautiful that it touches the soul.

"In a collection of short pieces, audiences travel from the Himalayas to tropical lake-filled regions; from the legends of the culture's creation over 5,000 years ago through to the story of Falun Dafa in China today; from the highest heavens down to the dusty plateaus of the Middle Kingdom."

"Shen Yun Performing Arts was established in 2006 with the mission of reviving 5,000 years of divinely inspired Chinese culture. Unfortunately, over the past 60 years, this cultural treasure has been persecuted and co-opted by the Chinese Communist Party. It is outside of China that Shen Yun's artistic creators have the ability to freely express themselves and their ancient culture. Their courage to speak up is an integral part of Shen Yun's spirit. Today, Shen Yun counts many winners of international dance and vocal competitions among its artists and the orchestras include many musicians from world-renowned symphonies and conservatories." *Quotations copyrighted by Shen Yun Performing Arts*

CELL PHONES FOR SOLDIERS

Cell Phones for Soldiers Inc. is a non-profit organization dedicated to providing cost-free communication services to active duty military members and veterans.

Since its inception in 2004, Cell Phones for Soldiers has worked to keep military families connected by providing FREE communication tools to those serving overseas in the United States military. In seven years, the registered 501(c) (3) has provided troops with more than 2 million prepaid calling cards, equating to more than 150 million minutes of FREE talk time.

Cell Phones for Soldiers hopes to continue its mission to provide troops with FREE calls home through generous monetary contributions and the recycling of used mobile phones. Used mobile phones from all service providers are accepted. Each \$5 contribution, or donated device valued at \$5, will provide troops with 2.5 hours of FREE talk time.

Cell Phones for Soldiers was founded by Robbie and Brittany Bergquist of Norwell, Mass., at the ages of 12 and 13. The organization has raised more than \$7 million in donations and collected more than 10 million cellular devices.

"Cell Phones for Soldiers started as a small way to show our family's appreciation for the men and women who have sacrificed the day-to-day contact with their own families

to serve in the U.S. armed forces," says the teens' father, Bob Bergquist. "Over the past few years, we have been overwhelmed by the generosity of others. But, we have also seen the need to support our troops continue to grow as more troops are sent overseas for longer assignments."
