Fort Worth Opera presents Don Pasquale

April 28-May 6

Bass Performance Hall

Opera lovers are in for an uproarious treat, as visionary director Chuck Hudson joins forces with maestro Joe Illick for a sparkling, bubbly production of Donizetti's bel canto romp, *Don Pasquale*. Audiences will be roaring with laughter, as Pasquale – an aging silent film star living out his days in Sunset Boulevard seclusion – looks to resurrect his career in a cinematic world gone Technicolor. Don Pasquale, played with fine-tuned flair by Turkish bass-baritone Burak Bilgili, sets out to recapture his youth and find a bride and heir to his vast fortune. He gets more than he bargained for once he weds, or thinks he weds, the celebrated starlet Norina, embodied by Grammy Award-winning soprano Audrey Luna (Ariadne auf Naxos). Silent movies, sight gags, and Hollywood glamour abound in Hudson's clever ode to cinema and the art of mime. The scheming Dr. Malatesta, played with comedic brilliance by baritone Andrew Wilkowske, hatches a plot on behalf of Norina and Pasquale's nephew Ernesto – acclaimed Korean tenor Ji-Min Park – to bring them together and turn the tables on the old Don. Under the baton of maestro Joe Illick, the renowned Fort Worth Symphony Orchestra brings to life Donizetti's sparkling bel canto score, accompanied by a parade of pop cultural icons like Groucho Marx, Lucille Ball, Carmen Miranda, James Dean, Eartha Kitt, and Elvis Presley, played to perfection by FWOpera's talented chorus members.

Texas Rangers

Globe Life Park in
Arlington, Texas

Texas Rangers 2018
season is near!

Discounted tickets range from \$3-\$18 off of the regular price and depend on your game date selection, seating preference, and availability. Opening Day is Thursday, March 29. It is considered a premier game and we cannot order tickets. The only way to guarantee tickets to Opening Day is to purchase a season plan through the Rangers. We can make calls for you to obtain them through other sources but they will be sold at a premium price.

However, you may begin ordering tickets for other games now. Contact your concierge for a calendar with pricing chart for this year as well as a parking map and schedule of promotional game dates. There are two price-points this year: All Star games and Hall of Fame games.

VERY IMPORTANT INFORMATION:

Last year the Texas Rangers implemented a dynamic price structure. The same remains true this year. This means there is a base price for every seating area, and then – based on supply and demand of any given game – the price of tickets could go up (if the demand is higher). We will still offer discounts off of the regular prices, and I don't foresee the fluctuations being too dramatic. They plan to analyze the inventory for future games approximately once a month and then make any price changes they deem necessary. This also means that if you orders tickets for a game one day, and then want to add tickets to that same game at a later date, the price could theoretically be different at that time. You may purchase tickets from us in other seating areas besides those listed below but a discount would not apply.

Our discounts will apply in the following

seating areas: **Club Box** (Sec 217-221, 231-235), **Lower Box** (Sec 14-17, 35-38, 115-136), **Corner Box** (Sec 10-13,39- 42, 112-114, 137-139), **All You Can Eat Porch** (Sec 246-252), **Lower Reserved** (Sec 3-9, 44-49), **Outfield Plaza** (Sec 50-54), **Club Terrace** (Sec 201- 216, 236-245), **Upper Box** (Sec 323-329, lower of 316-322 & 330-335), and **Upper Reserved** (Sec 301-315 & 336-338, upper of 316-322 & 330-335).

CAPTAIN CASH

Captain Cash vouchers may be redeemed at any Globe Life Park concession stand or merchandise store. Vouchers are available in increments of \$5 and are valid through September 23rd, 2018. Concierge customers will receive a 10% discount off the face value.

Another diabolical super-villain is moving in at Six Flags. This year, the new ride at Six Flags Over Texas isn't a roller coaster, but that doesn't mean it's a walk in the park, either. The Thrill Capital of Texas, is ramping up for the next generation in thrill rides and the first-of-its-kind in North America—HARLEY QUINN Spinsanity. Staying true to its namesake—this innovative attraction promises to deliver a new level of thrills with unpredictable, gravity-defying flips, twist and turns. Seated 24 across with over-the-shoulder harnesses, riders will experience a thrilling combination of negative and positive gravitational forces as they rotate forward, backwards and sideways up to 70 feet in the air. It sits near the northeast end of the park—or what Six Flags calls their Gotham City section. It's—appropriately—right next to The Joker. **Contact your concierge for discounted admission tickets!**
