## AT&T Byron Nelson Championship

May 14-20

With a rich golf tradition in Dallas/Fort Worth, including a U.S. Open and two PGA Championships, the AT&T Byron Nelson has a long history in professional golf that traces its roots back to 1944. That year, Byron Nelson teed it up at Lakewood Country Club and won the Texas Victory Open by 10 strokes over his friend Harold "Jug" McSpaden. This annual tournament would continue for two more years—first as the Dallas Open and then as the Dallas Invitational.

Nelson's victory at Lakewood Country Club was the beginning of two remarkable years in which he would win 26 tournaments, including his amazing streak of 11 straight victories in 1945.

The AT&T Byron Nelson is now the ninth longest-running active stop on the PGA TOUR schedule. Aside from the three U.S. majors (the U.S. Open, PGA Championship and the Masters), only eight PGA TOUR events were established prior to 1944. While 10 years elapsed before an annual Dallas-based event began again in 1956, the stage was set for the introduction of the current tournament, which began as the Byron Nelson Golf Classic in 1968. The tournament has grown and evolved with each passing year, and is now one of the most highly competitive and eagerly anticipated events on the PGA TOUR.

As the AT&T Byron Nelson celebrates its 50th anniversary, it will be moving back to Dallas at an exciting and unique course. Designed by Bill Coore and Ben Crenshaw, Trinity Forest Golf Club is a links style course featuring dramatic, green complexes and bunkering, as well as tall native grasses on a rolling meadow. Trinity Forest Golf Club brings to mind many of the great courses of Great Britain. Designed to bring elite championship golf back to Dallas, Trinity Forest Golf Club combines strategic golf with beautiful artistry.

**Your concierge is now taking orders for discounted tickets.** Daily grounds tickets to this event, which will now be held at Trinity Forest Golf Club, are \$35 (reg. \$45).
