Iconic Paris

February 14-17

Modern Art Museum of Fort Worth

It saw the opening of the World Fair, the construction of the Eiffel Tower, the perfection of champagne, major advancements in film, aviation, and medicine—and the ideal environment for artists to flourish: painters from Matisse to Picasso, and a generation of composers who, living in Paris, ushered in the new era of Modernism. A stellar group of artists-in-residence will take you on a journey through one of the most inspired times in musical history. For more information, visit www.cliburn.org/2019-cliburn-festival-iconic-paris.

Six Flags Fiesta Texas

Six Flags Fiesta Texas presents their first new ride of 2019, *Pirates of the Deep Sea!*

Six Flags Fiesta Texas, The Thrill Capital of South Texas, is kicking off the New Year in a big way with

the theme park industry's first new attraction of the year; a groundbreaking, new dark ride. Pirates of the Deep Sea, is a state-of-the-art gaming experience that pits the cunning skills of guest buccaneers against a marauding band of plundering pirates who try to hornswoggle them out of stolen bounty.

Guests board a weathered pirate ship, Man-o-War, to sail through the raging storms of the Bermuda Triangle. As they float past the eerie remains of ghost ships, riders are caught in the middle of a dramatic battle between their pirate ship and an angry mob of pirates portside. Riders will need to be quick on the trigger to blow the man down and defeat the swashbuckling scalawags. As they battle, guests compete with fellow shipmates by firing at hundreds of themed targets to tally a score of their victory at sea.

Pirates of the Deep Sea features:

- Pirate galleon ride vehicles that seat four passengers and equip each passenger with their own personal musket to fire light beams at hundreds of different targets
- Dramatic audio in 18 different zones, broadcast from a total of 39 speakers, that follows the individual pirate galleons as they make their way through the perilous journey
- Elaborate three-dimensional scenery that re-creates an old seaside village with a gigantic waterfall, moonlit alleyways and hidden pirate's treasure

Pirates of the Deep Sea is open now and located in Fiesta Bay Boardwalk. **Contact your concierge for a special link and promo code to purchase discounted tickets.**

SeaWorld & Aquatica San Antonio to Debut Exhilarating New Attractions in 2019!

A new, interactive sea turtle attraction and thrilling new rides will bring more waves of adventure to SeaWorld® & Aquatica® San Antonio in spring 2019. SeaWorld will unveil Turtle Reef™, a fascinating habitat that will enable guests to get an up-close look at threatened and endangered sea turtles, plus learn about the threats the species face in the wild. The focal point will be a 126,000-gallon coral reef-themed environment, with a unique and natural bio filtration, featuring rescued and non-releasable green sea turtles, along with hundreds of multi-colored Caribbean fish. Located between Shamu Stadium and Rio Loco river rapids ride, Turtle Reef also will feature SeaWorld's second underwater viewing area where guests can watch from a floor-to-ceiling, panoramic portal as turtles swim just inches away.

In conjunction with the opening of Turtle Reef, two new family rides will debut – Riptide Rescue™, where guests can board a boat and set out on their own sea turtle rescue mission aboard this classic spinner ride, and Sea Swinger™, a thrill ride that swings riders 180-degrees in both directions. Another important aspect of Turtle Reef is a new partnership between SeaWorld San Antonio and The University of Texas Marine Science Institute's Amos Rehabilitation Keep (ARK), which will receive 5 percent of the net proceeds from turtle-themed merchandise sold at SeaWorld. ARK's primary mission is to rescue and rehabilitate sick and injured sea turtles, birds, terrestrial turtles and tortoises found along the South Texas coast, with the goal of releasing them to their native habitat. Premiering at Aquatica this year will be Ihu's Breakaway Falls®, a new, steep, one-of-a-kind, multi-drop tower slide, which is named after Ihu, Aquatica's colorful gecko, who searches for the biggest thrills, steepest hills and coolest spills in the waterpark. SeaWorld & Aquatica have introduced an assortment of guest-pleasing attractions in recent years. SeaWorld's Wave Breaker: The Rescue Coaster™ debuted in 2017, while the Sesame Street® Party Parade at SeaWorld and Aquatica's new, high-speed competitive mat ride, Taumata Racer®, opened in 2018.
