Fort Worth Zoo celebrates hatchings of 17 lesser flamingo chicks

The Fort Worth Zoo proudly announces the hatchings of 17 lesser flamingo chicks

(*Phoenicopterus minor*) over the last month ... and more are on the way! Lesser flamingos are extremely difficult to breed under human care and reproduce less than any other flamingo species found in U.S. zoos. The Fort Worth Zoo boasts the most successful lesser flamingo breeding program in the world, with the hatchings of 382 chicks (so far) since the program began in 2002. Born a fluffy white or gray, the chicks will eventually get that characteristic pink plumage by age 3 or 4, thanks to pigments or carotenoids found in their diet.

For years, the Zoo's lesser flamingo collection was housed in an outdoor habitat that resulted in little breeding success. After making adjustments to the birds' nesting habitat, which included adding heating lamps, a small pool and mirrors to provide the illusion of more birds, Zoo staff celebrated the first successful hatching. And at that point, the Zoo's lesser flamingo "love shack" was created.

The Zoo's lesser flamingo breeding efforts are incredibly important to create a long-term, self-sustaining population of these birds in U.S. zoos – lesser flamingos are listed as near threatened by IUCN, the International Union for the Conservation of Nature, primarily due to habitat alteration. For now, the chicks are housed behind-the-scenes where they are receiving around-the-clock feedings and care from keepers and their parents. **Contact your concierge for discounted tickets!**

You may have heard about the XFL...it's an 8-team football league and Dwayne "The Rock" Johnson is one of the owners. DFW is the center of the XFL's universe, and if you aren't familiar with this you will probably want to take some time to visit the website (xfl.com).

Arlington is "The Hub" and headquarters is here. All of the league's teams will practice here in the DFW area during the 2023 season, (practice locations are in Arlington, Justin, Southlake, and Mansfield). So, each team has a specific practice facility. They'll travel to their respective cities for weekend games, then return here for weekly practices.

Our home games are played at the old Rangers Stadium (now called Choctaw Stadium). The ballpark has been modified for football. On the 3rd base side, approximately 6,000 seats were removed to accommodate the field. Around 4,000 seats were added in left field for better viewing. The new XFL league headquarters will be located in the center field offices. These are the 8 teams in the league:

- Arlington Renegades - (Arlington, TX)
- Houston Roughnecks - (Houston, TX)
- San Antonio Brahmas - (San Antonio, TX)
- DC Defenders - (Washington, DC)
- Orlando Guardians - (Orlando, FL)
- Seattle Sea Dragons - (Seattle, WA)
- St. Louis Battlehawks - (St. Louis, MO)
- Vegas Vipers - (Las Vegas, NV)

Our home games this season are:

- Saturday, February 18 at 2pm vs. Vegas Vipers
- Sunday, March 5 at 3pm vs. Orlando Guardians
- Sunday, March 26 at 2pm vs. San Antonio Brahmas
- Friday, March 31 at 6pm vs. Seattle Sea Dragons
- Sunday, April 23 at 2pm vs. Houston Roughnecks

There is so much more to know....like the XFL has a few different rules from traditional football. For one, there will be **no extra points kicked**. You can go for 1 point from the two-yard line, 2 points from the five-yard line, or 3 points from the ten-yard line. There are other differences, like the **play clock**. The NFL uses a 40-second play clock, the XFL uses 25 sec-onds. The XFL allows a **double forward pass**, as long as the first forward pass does not cross the line of scrim-mage. Additionally, receivers need to have only one foot in bounds for a catch.

Texas Rangers

Globe Life Field

Arlington, Texas

Texas Rangers 2023 season is near! Opening Day is Thursday, March 30. It is considered a premier game and we cannot order tickets. The only way to guarantee tickets to Opening Day is to purchase a season plan through the Rangers. We can make calls to obtain them through other sources, but they will be sold at a premium price.

However, you may begin ordering tickets for other games beginning March 3rd. The Texas Rangers have a dynamic pricing structure. This means there is a base price for every seating area, and then based on supply and demand of any given game the price of tickets could go up (if the demand is higher). This also means that if you order tickets for a game one day, and then want to add tickets to that same game at a later date, the price could theoretically be different at that time. **Contact your concierge for a full schedule, seating map, discount link, and promo code!**
