The event is FREE and open to the public, and there is no limit to how much paper you can bring! Texas Rangers

Globe Life Field
Arlington, Texas

Texas Rangers 2025 season is near! Opening Day is Thursday, March 27. It is considered a premier game and we cannot order tickets. The only way to guarantee tickets to Opening Day is to purchase a season plan through the Rangers. We can make calls to obtain them through other sources but they will be sold at a premium price.

However, you may begin ordering tickets for other games beginning the first week in March. The Texas Rangers have a dynamic pricing structure. This means there is a base price for every seating area, and then based on supply and demand of any given game the price of tickets could go up (if the demand is higher). This also means that if you order tickets for a game one day and then want to add tickets to that same game at a later date, the price could theoretically be different at that time. **Contact your concierge for a full schedule, seating map, discount link, and promo code!**

Dallas Zoo Browse Program

Many Dallas Zoo animals, like the elephants and giraffes, eat hundreds of pounds of “browse” (tender shoots, twigs, and green leaves of trees and shrubs) every single day.

Zoo staff also use browse as a way to add enrichment to the lives of their animals.

How can you help? The Dallas Zoo is always looking for fresh, healthy donations of recently trimmed or felled landscaping from the local community. You can find a list of accepted plants and FAQs on their website <https://www.dallaszoo.com/support-the-zoo/browse-program-donate-trees-for-animals/>, as well as details on coordinating a donation.

While the list of trees is posted on their website, the animals especially like:

Bradford Pear	Mulberry
Red Tip Photinia	Cedar Elm
American Elm	Pecan

Don't know what kind of tree you have?

There are many resources online to help identify trees. Take a read through the [Texas A&M Forest Service](#) or [Arbor Day](#) guides for help.

If you're still striking out, send a high-resolution photo to Browse@DallasZoo.com for assistance. They (and especially the animals) greatly appreciate your donations! Pick up is also available in certain zip codes.
